CANINE COMPREHENSION IS COMING TO YOUR SCHOOL

Preparation Tips:

Inform your pupils about the visit and its benefits. Familiarise yourself with the do's and don'ts of interacting with therapy dogs. Ensure the session area is ready and free of distractions.

Insurance & Compliance:

All sessions are covered by comprehensive insurance. Fully compliant with educational standards and regulations.

Risk Analysis:

Thorough risk analysis conducted and approved by the Department of Education Victoria. Safety measures in place to ensure a secure environment for pupils and staff.

Cleanliness

Comprehensive measures are in place to manage zoonosis, including regular health checks and vaccinations for therapy dogs, adherence to strict hygiene protocols, and educating pupils on safe interaction practices to ensure the health and safety of both.

WHAT HAPPENS IN THE SESSIONS?

Meaningful Interactions with a Therapy Dog: Students engage with the therapy dog, which provides comfort, encourages social interaction, and helps reduce anxiety.

Evidence-Based Programmes: Our sessions are grounded in research and regularly evaluated to ensure they are effective and deliver positive outcomes for students.

Tailored Activities: Sessions are customised to meet the unique needs of each group, incorporating activities like mindfulness exercises, problem-solving games, and discussions on emotional well-being.

Focus on Emotional and Social Development: Students learn to interpret body language, manage their inner dialogue, and build positive relationships with peers.

Feedback and Reflection: Students are encouraged to reflect on their experiences and share insights, fostering a deeper understanding and personal growth.
