## ARE YOU CURIOUS ABOUT DOGS IN SCHOOLS?

With over ten years of industry experience, Canine Comprehension now offers your school workforce professional learning opportunities to create engaging, supportive environments with the help of dog-assisted learning.

Our modules offer a chance to gain insights into therapy dogs in schools, guided by true experts in the field.

# TEACHER PROFESSIONAL LEARNING SERIES.

## WHAT YOU'LL LEARN

### Module 1: Canines & Classrooms

Discover how integrating therapy dogs into the classroom can boost student engagement and foster a positive learning atmosphere. Learn strategies to effectively incorporate dog-assisted activities that promote academic success and social-emotional growth.

### Module 2: Canines & Pedagogy

Explore the pedagogical benefits of dog-assisted learning. This module delves into the theory and practice of using therapy dogs to enhance teaching methods, providing educators with tools to enrich their instructional approach.

### Module 3: Canines & Emotional Growth

Understand the profound impact therapy dogs can have on students' emotional well-being. This module offers insights into using canine companions to support emotional regulation and personal development, creating a nurturing learning environment.

### Module 4: Canines & School Spirit

Elevate school spirit and community with the help of therapy dogs. This module focuses on fostering a sense of belonging and pride within the school environment through dog-assisted programs and activities.

## WHY CHOOSE US?

We blend passion with expertise to create a genuinely transformative PL experience.

We offer personalised support tailored to your school's unique needs. Our flexible learning options, which include online components, conference time, and face-to-face workshops, demonstrate our commitment to excellence and make us the ideal PL partner for understanding dog-assisted learning.

## UTILISE THE SCHOOL MENTAL HEALTH FUND.

Schools can leverage the Victorian School Mental Health Fund Menu to finance their staff's involvement in our Professional Learning Series. This funding allows schools to provide early intervention, targeted support, and specialised training, making it an excellent opportunity to incorporate such professional learning for your team.
